Congratulations on choosing to become a [Custom Choice Service Plan](#) customer. In doing so, you have chosen peace-of-mind reliability for you and your family with equipment safety and efficiency as well as extending the life of your heating and/or hot water equipment. With this plan, you will receive:

- Priority Emergency Service 24 hours a day, 7 days a week, 365 days a year
- Annual Cleaning and Service* (Must be performed between March & September)
- 25% Discount after 4:30 PM (Parts & Labor)
- No Call Out Fee
- Quality Automatic Delivery Service Provided by Fairclough Fuel (Required)

Please review the following carefully:

Your Custom Choice Service Plan is effective for one year and will be renewed automatically, unless you cancel in writing otherwise. All heating units must be inspected and approved for coverage by an authorized Smith's Heating & Cooling LLC Service Technician. The plan becomes effective upon inspection, and if necessary, repair of any pre-existing conditions (at customer's expense). Each service plan applies to one (1) oil-fired unit up to 1.5 GPH. Additional units may be covered for \$585.00 each. Any special or obsolete equipment must be approved for coverage. An emergency is defined as a no-heat condition, or any threatening harm to people or property.

We shall make every attempt to provide you with prompt, courteous service, however, we shall not be responsible for any loss or damage caused directly or indirectly by such service, nor shall we be held responsible for any delay or inability to perform service caused by or resulting from a strike, lockouts, fire, accident, war, riot, lack of material, weather, or any other cause beyond our control. We assume no responsibility for heating failure damage when a house or building is unoccupied or equipment damaged by power surges or portable home generators. Nor shall we assume responsibility for service performed by anyone other than a representative of Smith's Heating & Cooling LLC.
